Hoover Staffing Updates (leaving, changing and welcoming)

“Good Friends are hard to find, harder to leave and impossible to forget”

As we draw near to the end of the school year there are staff members who we want to thank for being a part of our Hoover Family this year. They have given of themselves to support students in developing social, emotional, friendship and academic skills. Letting students know ahead of time so they can write a note, draw a picture, say a word, or give a hug helps students with closure and saying goodbye to a much loved adult.

Please take the time to wish the following staff members well as they move on to new challenges in education, move to new cities, spend more time with family or the many reasons that their ship is sailing from our Hoover shores.

Summer Meals for Students

School is out, and many families are looking for fun, healthy things to do. Help spread the word that meals are served free of charge to kids and teens ages 1 – 18 at sites all across the state of Oregon. Community summer meal programs are open to all families and don't ask for any paperwork - kids can just drop in. Programs with meals are offered at many different types of places, including schools, parks and community centers. Many offer fun activities that help kids stay active and keep learning during the summer when school is out.

Kids and families can find local summer meal programs by visiting <https://www.csd509j.net/departments/food-nutrition-services/summer-free-meal-program/> or calling 541-757-5859.

To learn more about the Summer Food Service Program, visit Oregon Department of Education Child Nutrition Programs at <http://www.ode.state.or.us/search/results/?id=208>. For summer meals and other nutrition resources, visit www.oregonhunger.org.

This institution is an equal opportunity provider.

Interrupt Kids Screen Time This Summer!

Summer time is a great time to be active, but also an easy time to get distracted by screen time. If your children will be having screen time, the Flashfit app could be a great choice to help encourage activity.

Anyone can download the Flashfit app this summer on any device in the house and join the Flashfit Kids Community. The kids will receive random notifications while on their screens to get up and dance and move their bodies. While we can't make them get up from their screen, we can remind them and maybe that will do the trick.

This tip has been brought to you by your HPTO.

Volunteering at Corvallis Schools

If you want to volunteer at a Corvallis School – or if your volunteer status for Corvallis Schools has expired – or you need to update information on your existing volunteer application - please go to the Volunteer Home Access Page on the district website where you can set up your own account, get your volunteer clearance, and manage your information. <https://www.csd509j.net/students-parents/volunteer/>. *You will receive a confirmation email when your application is successfully processed (please note it takes a little bit longer at the beginning of the school year).* **Please note that volunteering includes attending fieldtrips with your child's classroom. Please sign up to volunteer today so that the clearance is in place in case you need it!**

Before School Supervision Opens at 7:40 a.m.

Before School Supervision starts each morning at 7:40 a.m. As a courtesy to our families, this no-cost childcare is available in the Hoover gym. Please do NOT drop your child off at Hoover School prior to 7:40 a.m. We do not have any one on staff to supervise your child before this time.

Any students arriving on campus after 7:40 a.m. but prior to classroom doors opening at 8:10 a.m. are required to report to the gym for supervision.
